Eternal salvation is an incredibly wonderful thing. God forgives our sin, adopts us into His family, places His own Spirit into our hearts, and assures us eternal life in heaven all because of His glorious grace.

God's grace is truly amazing and it calls us to a new and higher standard of life. As God is holy, so we too are called to be holy.

In our text, Peter reminds believers of God's glorious grace and to the high calling that His grace places on our lives.
