The Shadow of a Doubt
Matthew 5:13-16

Why do we not share our faith with those closest to us?

Why is it easier to tell someone about Jesus when we are on a mission trip? I think that on some level we struggle with doubt. The cloud of doubt dominates our thinking. It weakens our resolve. It causes us to be transformed from bold witnesses into timid doubting Thomas'.

Jesus has a word that we need to hear. When we are struggling with doubts like Thomas, we need to hear the words from Matthew 5.

Three reasons that we do not share our faith with our friends:

1. **We know that we are not _____.**

What does God say about this? (2 Corinthians 5:17-21)

2. **We don't believe in _____.**

What does God say about this? (Luke 16:19-31)

3. **We care more for _____.**

What does God say about this? (Colossians 3:1-4)

Final Thoughts...

→ _____ His ambassador.

→ _____ is real.

→ My greatest _____ is found in following His plan.
